

What is STLF?

Students Today Leaders Forever (STLF) is a servant leadership organization founded by four freshmen during the fall of 2003. STLF is an organization that is determined to make a difference on our campuses, in our hometowns, and in communities across the country. In three short years, STLF has grown from a student organization at the University of Minnesota, to a student-run nonprofit organization consisting of 9 active student-run chapters at schools across the Midwest. STLF was founded as a small group of friends working to make a difference; in that respect not much has changed. STLF is now just a bigger group of friends working hard to make an ever-increasing impact in our communities and in the world we live in.

600 people. 15 routes. 1 mission.

Operation: Pay it Forward Tour 2007 has commenced! The Pay It Forward Tour 2007 will consist of 15 buses and 600 students collectively serving in 77 communities over spring break. Participants will leave an impact in numerous communities across the country, and learn about a variety of social issues that these communities, our country, and our own home towns face day in and day out.

Tours are being organized by students at UND, NDSU, U of M Morris, U of M Twin Cities, U of M Crookston, MSUM, BSU, and University of St. Thomas. In addition there will be a Tour led by the University of St. Thomas during the week of March 16-24. During the week of March 9-17 eight of the tours will come together in Washington DC for a celebration while six buses will be traveling to San Antonio.

The *Pay it Forward Tour* itself is a life-changing experience. What makes the Tour unique is its amazing dynamic—road trip, retreat, service project, camp—all on wheels! A typical day consists of service in the morning, lunch with the community the Tour is serving, traveling to the next destination, and an evening filled with activities, discussion, and processing. STLF's *Pay if Forward Tours* provide a means toward the Education of a need/issue in our country, the Interaction with the community and its people, and the Reflection necessary to make the experience significant.

All routes are open to students from any school. Please see the next page for a listing of routes. Financial information:

- There is a non-refundable \$125 down payment to hold a spot.
- The Tour costs \$425; cost increases to \$450 for participants registering after February 23, 2007.
- Full payment is due on February 23, 2007. There are no refunds after this date. (Exceptions may be made for emergencies and on a case-by-case basis)
- Financial need-based scholarships are available. Inquire at stlf@umn.edu.

Visit www.stlf.net or email stlf@umn.edu for more information!
